MCB 1P 6kA B-63A 1M

Technical Properties

Type of pole	1 P
Curve	B
Rated short circuit breaking capacity	6 kA
Rated current	63 A
Rated operational voltage Ue	230/400 V
Top and bottom screw terminals connection capacity with flexible cable	1/16 mm²
Top and bottom screw terminals connection capacity with rigid cable	1/25 mm²
Number of modules	1
Rated short circuit breaking capacity 230V 50Hz	6 kA
Tightening torque	2,8Nm
European directive RoHs	voluntary compliance
European directive WEEE	not concerned
