

MCB 3P 6kA B-6A 3M

Technische Merkmale

Type of pole	3 P
Curve	B
Rated short circuit breaking capacity	6 kA
Rated current	6 A
Rated operational voltage Ue	230/400 V
Top and bottom screw terminals connection capacity with flexible cable	1/16 mm ²
Top and bottom screw terminals connection capacity with rigid cable	1/25 mm ²
Number of modules	3
Rated short circuit breaking capacity 400V 50Hz	6 kA
Tightening torque	2,8Nm
European directive RoHs	voluntary compliance
European directive WEEE	not concerned
